§ 2006. Department of Defense Education Benefits Fund

(a) There is established on the books of the Treasury a fund to be known as the Department of Defense Education Benefits Fund (hereinafter in this section referred to as the “Fund”), which shall be administered by the Secretary of the Treasury. The Fund shall be used for the accumulation of funds in order to finance armed forces education liabilities on an actuarially sound basis.

(b) In this section:

(1) The term “armed forces education liabilities” means liabilities of the armed forces for benefits under chapter 30 or 33 of title 38 and for Department of Defense benefits under paragraphs (3) and (4) of section 510(e) and chapters 1606 and 1607 of this title, including funds provided by the Secretary of Homeland Security for education liabilities for the Coast Guard when it is not operating as a service in the Department of the Navy.

(2) The term “normal cost”, with respect to any period of time, means the total of the following:

(A) The present value of the future benefits payable from the Fund for amounts attributable to increased amounts of educational assistance authorized under section 3015(d) of title 38 to persons who were not on active duty on July 1, 1985, and who during such period enter on active duty.

(B) The present value of the future benefits payable from the Fund for amounts attributable to educational assistance authorized under subchapter III of chapter 30 of title 38 to persons who were not on active duty on July 1, 1985, and who during such period—

(i) enter a fourth year of active duty, in the case of persons eligible for basic educational assistance under section 3011 of such title; or

(ii) enter a period of service that will establish entitlement to such educational assistance under section 3021(b) of such title, in the case of persons eligible for basic educational assistance under section 3012 of such title.

(C) The present value of the future Department of Defense benefits payable from the Fund (including funds from the Department in which the Coast Guard is operating) for educational assistance under chapters 1606 and 1607 of this title to persons who during such period become entitled to such assistance.

(D) The present value of future benefits payable from the Fund for the Department of Defense portion of payments of educational assistance under subchapter II of chapter 30 of title 38 attributable to increased usage of benefits as a result of transfers of entitlement to basic educational assistance under section 3020 of that title during such period.

(2) Any amount appropriated to the Fund.

(3) Any return on investment of the assets of the Fund.

(d) The Secretary of the Treasury shall transfer from the Fund to the Secretary of Veterans Affairs such amounts as may be necessary to enable the Secretary of Veterans Affairs to make required payments of armed forces education liabilities. The Secretary of the Treasury, the Secretary of Defense, the Secretary of the Department in which the Coast Guard is operating, and the Secretary of Veterans Affairs shall enter into an agreement as to how and when, and the amounts in which, such transfers shall be made. Except for investments under subsection (h), amounts in the Fund may not be used for any purpose other than transfers as described in this subsection.

(e)(1) The Secretary of Defense shall carry out periodic actuarial valuations of the educational programs described in subsection (b)(1).

(2) Based on the most recent such valuation, the Secretary of Defense shall estimate the normal cost for the next fiscal year.

(3) If at the time of any such valuation there has been a change in benefits under an education program described in subsection (b)(1) that has been made since the last such valuation and that increases or decreases the present value of benefits payable from the Fund, the Secretary of Defense shall determine an amortization methodology and schedule for the liquidation of the unfunded liability (or negative

¹ So in original. Two subpars. (E) have been enacted.

unfunded liability) thus created such that the present value of the sum of the amortization payments equals the increase or decrease in the present value of such benefits.

(4) If at the time of any such valuation the Secretary of Defense determines that, based upon changes in actuarial assumptions since the last valuation, there has been an actuarial gain or loss to the Fund, the Secretary shall determine an amortization methodology and schedule for the liquidation of such gain or loss through an increase or decrease in the payments that would otherwise be made to the Fund.

(5) Based on the determinations under paragraphs (2), (3), and (4) the Secretary of Defense shall determine the amount needed to be appropriated to the Department of Defense and the Department in which the Coast Guard is operating for the next fiscal year for payments to be made to the Fund under subsection (f). The President shall include not less than the full amount so determined in the budget transmitted to Congress for the next fiscal year under section 1105 of title 31. The President may comment and make recommendations concerning any such amount.

(6) All determinations under this subsection shall be made using methods and assumptions approved by the Board of Actuaries (including assumptions of interest rates and inflation) and in accordance with generally accepted actuarial principles and practices.

(f)(1) The Secretary of Defense and the Secretary of the Department in which the Coast Guard is operating shall pay into the Fund each month the amount that, based upon the most recent actuarial valuation of the education programs described in subsection (b)(1), is equal to the actual total normal cost for the preceding month.

(2) The Secretary of Defense and the Secretary of the Department in which the Coast Guard is operating shall pay into the Fund at the beginning of each fiscal year (or as soon thereafter as appropriations are available for such purpose) the sum of the following:

(A) The amount of the payment for that year, if any, for the amortization of any liability to the Fund resulting from a change in benefits, as determined by the Secretary of Defense under subsection (e)(3).

(B) The amount of the payment for that year, if any, for the amortization of any actuarial gain or loss to the Fund, as determined by the Secretary of Defense under subsection (e)(4).

(3) Amounts paid into the Fund under this subsection shall be paid from appropriations available for the pay of members of the armed forces under the jurisdiction of the Secretary concerned.

(g) The Secretary of the Treasury shall invest such portion of the Fund as is not in the judgment of the Secretary required to meet current withdrawals. Such investments shall be in public debt securities with maturities suitable to the needs of the Fund, as determined by the Secretary, and bearing interest at rates determined by the Secretary, taking into consideration current market yields on outstanding marketable obligations of the United States of comparable

maturities. The income on such investments shall be credited to and form a part of the Fund.

(3) establish minimum acceptable standards for performance and achievement for qualified units.

(d) Instead of, or in addition to, detailing officers and noncommissioned officers on active duty under subsection (c)(1), the Secretary of the military department concerned may authorize qualified institutions to employ, as administrators and instructors in the program, retired officers and noncommissioned officers who are in receipt of retired pay, and members of the Fleet Reserve and Fleet Marine Corps Reserve, whose qualifications are approved by the Secretary and the institution concerned and who request such employment, subject to the following:

In the case of payment of any such additional amount by the institution concerned, the Secretary of the military department concerned shall pay to that institution the amount equal to one-half of the amount paid to the retired member by the institution for any period, up to a maximum of one-half of the difference between the member's retired or retainer pay for that period and the active duty pay and allowances which the member would have received for that period if on active duty. Notwithstanding the limitation in the preceding sentence, the Secretary concerned may pay to the institution more than one-half of the additional amount

paid to the retired member by the institution if (as determined by the Secretary) the institution is in an educationally and economically deprived area and the Secretary determines that such action is in the national interest. Payments by the Secretary concerned under this paragraph shall be made from funds appropriated for that purpose.

(2) Notwithstanding any other provision of law, such a retired member is not, while so employed, considered to be on active duty or inactive duty training for any purpose.

(e) Instead of, or in addition to, detailing officers and noncommissioned officers on active duty under subsection (c)(1) and authorizing the employment of retired officers and noncommissioned officers who are in receipt of retired pay and members of the Fleet Reserve and Fleet Marine Corps Reserve under subsection (d), the Secretary of the military department concerned may authorize qualified institutions to employ as administrators and instructors in the program officers and noncommissioned officers who are under 60 years of age and who, but for age, would be eligible for retired pay for non-regular service under section 12731 of this title and whose qualifications are approved by the Secretary and the institution concerned and who request such employment, subject to the following:

(1) The Secretary concerned shall pay to the institution an amount equal to one-half of the amount paid to the member by the institution for any period, up to a maximum of one-half of the difference between—

(A) the retired or retainer pay for an active duty officer or noncommissioned officer of the same grade and years of service for such period; and

(B) the active duty pay and allowances which the member would have received for that period if on active duty.

(2) Notwithstanding the limitation in paragraph (1), the Secretary concerned may pay to the institution more than one-half of the amount paid to the member by the institution if (as determined by the Secretary)—

(A) the institution is in an educationally and economically deprived area; and

(B) the Secretary determines that such action is in the national interest.

(3) Payments by the Secretary concerned under this subsection shall be made from funds appropriated for that purpose.

(4) Amounts may be paid under this subsection with respect to a member after the member reaches the age of 60.

(5) Notwithstanding any other provision of law, a member employed by a qualified institution pursuant to an authorization under this subsection is not, while so employed, considered to be on active duty or inactive duty training for any purpose.

(f)(1) When determined by the Secretary of the military department concerned to be in the national interest and agreed upon by the institution concerned, the institution may reimburse a Junior Reserve Officers' Training Corps instructor for moving expenses incurred by the instruc-

tor to accept employment at the institution in a position that the Secretary concerned determines is hard-to-fill for geographic or economic reasons.

(2) As a condition on providing reimbursement under paragraph (1), the institution shall require the instructor to execute a written agreement to serve a minimum of two years of employment at the institution in the hard-to-fill position.

(3) Any reimbursement provided to an instructor under paragraph (1) is in addition to the minimum instructor pay otherwise payable to the instructor.

(4) The Secretary concerned shall reimburse an institution providing reimbursement to an instructor under paragraph (1) in an amount equal to the amount of the reimbursement paid by the institution under that paragraph. Any reimbursement provided by the Secretary concerned shall be provided from funds appropriated for that purpose.

(5) The provision of reimbursement under paragraph (1) or (4) shall be subject to regulations prescribed by the Secretary of Defense for purposes of this subsection.

CONTINUATION OF SUPPORT TO SENIOR MILITARY COLLEGES

Section 544(a)-(c) of Pub. L. 105-85 provided that:

“(a) DEFINITION OF SENIOR MILITARY COLLEGES.—For purposes of this section, the term ‘senior military colleges’ means the following:

- “(1) Texas A&M University.
- “(2) Norwich University.
- “(3) The Virginia Military Institute.
- “(4) The Citadel.
- “(5) Virginia Polytechnic Institute and State University.

“(6) North Georgia College and State University.

“(b) FINDINGS.—Congress finds the following:

“(1) The senior military colleges consistently have provided substantial numbers of highly qualified, long-serving leaders to the Armed Forces.

“(2) The quality of the military leaders produced by the senior military colleges is, in part, the result of the rigorous military environment imposed on students attending the senior military colleges by the colleges, as well as the result of the long-standing close support relationship between the Corps of Cadets at each college and the Reserve Officer Training Corps personnel at the colleges who serve as effective leadership role models and mentors.

“(3) In recognition of the quality of the young leaders produced by the senior military colleges, the Department of Defense and the military services have traditionally maintained special relationships with the colleges, including the policy to grant active duty service in the Army to graduates of the colleges who desire such service and who are recommended for such service by their ROTC professors of military science.

“(4) Each of the senior military colleges has demonstrated an ability to adapt its systems and operations to changing conditions in, and requirements of, the Armed Forces without compromising the quality of leaders produced and without interruption of the close relationship between the colleges and the Department of Defense.

“(c) SENSE OF CONGRESS.—In light of the findings in subsection (b), it is the sense of Congress that—

“(1) the proposed initiative of the Secretary of the Army to end the commitment to active duty service for all graduates of senior military colleges who desire such service and who are recommended for such service by their ROTC professors of military science is short-sighted and contrary to the long-term interests of the Army;

“(2) as they have in the past, the senior military colleges can and will continue to accommodate to changing military requirements to ensure that future graduates entering military service continue to be officers of superb quality who are quickly assimilated by the Armed Forces and fully prepared to make significant contributions to the Armed Forces through extended military careers; and

“(3) decisions of the Secretary of Defense or the Secretary of a military department that fundamentally and unilaterally change the long-standing relationship of the Armed Forces with the senior military colleges are not in the best interests of the Department of Defense or the Armed Forces and are patently unfair to students who made decisions to enroll in the senior military colleges on the basis of existing Department and Armed Forces policy.”

§ 2111b. Senior military colleges: Department of Defense international student program

(a) PROGRAM REQUIREMENT.—The Secretary of Defense shall establish a program to facilitate the enrollment and instruction of persons from foreign countries as international students at the senior military colleges.

(b) PURPOSES.—The purposes of the program shall be—

(1) to provide a high-quality, cost-effective military-based educational experience for international students in furtherance of the military-to-military program objectives of the Department of Defense; and

(2) to enhance the educational experience and preparation of future United States military leaders through increased, extended interaction with highly qualified potential foreign military leaders.

(c) **COORDINATION WITH THE SENIOR MILITARY COLLEGES.**—Guidelines for implementation of the program shall be developed in coordination with the senior military colleges.

(d) **RECOMMENDATIONS FOR ADMISSION OF STUDENTS UNDER THE PROGRAM.**—The Secretary of Defense shall annually identify to the senior military colleges the international students who, based on criteria established by the Secretary, the Secretary recommends be considered for admission under the program. The Secretary shall identify the recommended international students to the senior military colleges as early as possible each year to enable those colleges to consider them in a timely manner in their respective admissions processes.

(e) **DOD FINANCIAL SUPPORT.**—An international student who is admitted to a senior military college under the program under this section is responsible for the cost of instruction at that college. The Secretary of Defense may, from funds available to the Department of Defense other than funds available for financial assistance under section 2107a of this title, provide some or all of the costs of instruction for any such student.

(Added Pub. L. 106-65, div. A, title V, §541(a)(1), Oct. 5, 1999, 113 Stat. 606.)

EFFECTIVE DATE

§ 2114. Students: selection; status; obligation

(a) Medical students at the University shall be selected under procedures prescribed by the Secretary of Defense. In so prescribing, the Secretary shall consider the recommendations of the Board. However, selection procedures prescribed by the Secretary of Defense shall emphasize the basic requirement that students demonstrate sincere motivation and dedication to a career in the uniformed services (as defined in section 1072(1) of this title).

(b)(1) Medical students shall be commissioned officers of a uniformed service as determined under regulations prescribed by the Secretary of Defense after consulting with the Secretary of Health and Human Services. They shall be appointed as regular officers in the grade of second lieutenant or ensign and shall serve on active duty in that grade.

The amount of such basic pay

for the member shall be increased on January 1 of each year by the percentage by which basic pay is increased on average on that date for that year, and the member shall continue to receive basic pay based on the former grade and years of service until the date, whether occurring before or after graduation, on which the basic pay for the member in the member's actual grade and years of service credited for pay exceeds the amount of basic pay to which the member is entitled based on the member's former grade and years of service.

(c) Medical students who graduate shall be required to serve on active duty unless they are covered by section 2115 of this title. Medical students who graduate shall be required, except as provided in section 2115 of this title, to serve thereafter on active duty under such regulations as the Secretary of Defense or the Secretary of Health and Human Services, as appropriate, may prescribe for not less than seven years, unless sooner released. Upon completion of, or release from, the active-duty service obligation, a member of the program who served on active-duty for less than 10 years shall serve in the Ready Reserve for the period specified in the following table:

Period of Service on Active Duty	Ready Reserve Obligation

Any such agreement may be made on a reimbursable basis or a non-reimbursable basis.

(2) Not more than 40 persons at any one time may receive instruction at the University under this subsection. Attendance of such persons at the University may not result in a decrease in the number of students enrolled in the University. The Secretary may prescribe regulations with respect to access to classified information by a person receiving instruction under this subsection that differ from the regulations that apply to a student enrolled in the University.

(g) In this section, the term “commissioned service obligation” means, with respect to an officer who is a graduate of the University, the period beginning on the date of the appointment of the officer in a regular component after graduation and ending on the tenth anniversary of that appointment.

§ 2121. Establishment

(a)(1) For the purpose of obtaining adequate numbers of commissioned officers on active duty who are qualified (A) in the various health professions or (B) as a health professional with specific skills to assist in providing mental health care to members of the armed forces, the Secretary of each military department, under regulations prescribed by the Secretary of Defense, may establish and maintain a health professions scholarship and financial assistance program for his department.

(2) Under the program of a military department, the Secretary of that military department shall allocate a portion of the total number of scholarships to members of the program described in paragraph (1)(B) for the purpose of assisting such members to pursue a degree at the masters and doctoral level in any of the following disciplines:

(A) Social work.

(B) Clinical psychology.

(C) Psychiatry.

(D) Other disciplines that contribute to mental health care programs in that military department.

(b) The program shall consist of courses of study and specialized training in designated health professions, with obligatory periods of military training.

(c)(1) Persons participating in the program shall be commissioned officers in reserve components of the armed forces. Members pursuing a course of study shall serve on active duty in a pay grade O-1 with full pay and allowances of that grade for a period of 45 days during each year of participation in the program. Members pursuing specialized training shall serve on active duty in a pay grade commensurate with their educational level, as determined by appointment under section 12207 of this title, with full pay and allowances of that grade for a period of 14 days during each year of participation in the program. They shall be detailed as students at accredited civilian institutions, located in the United States or Puerto Rico, for the purpose of acquiring knowledge or training in a designated health profession. In addition, members of the program shall, under regulations prescribed by the Secretary of Defense, receive military and professional training and instruction.

(2) If a member of the uniformed services selected to participate in the program as a medical student has prior active service in a pay grade and with years of service credited for pay that would entitle the member, if the member remained in the former grade, to a rate of basic pay in excess of the rate of basic pay for regular officers in the grade of second lieutenant or ensign, the member shall be paid basic pay based on the former grade and years of service credited for pay. The amount of such basic pay for the member shall be increased on January 1 of each year by the percentage by which basic pay

is increased on average on that date for that year, and the member shall continue to receive basic pay based on the former grade and years of service until the date, whether occurring before or after the conclusion of such participation, on which the basic pay for the member in the member's actual grade and years of service credited for pay exceeds the amount of basic pay to which the member is entitled based on the member's former grade and years of service.

(d) Except when serving on active duty pursuant to subsection (c), a member of the program shall be entitled to a stipend at a monthly rate established by the Secretary of Defense, but not to exceed a total of \$30,000 per year. The maximum annual amount of the stipend shall be increased annually by the Secretary of Defense effective on July 1 of each year by an amount (rounded to the next highest multiple of \$1) equal to—

(1) the amount of such stipend (as previously adjusted (if at all)), multiplied by

(2) the overall percentage of the adjustment (if such adjustment is an increase) in the rates of basic pay for members of the uniformed services made effective for the fiscal year in which the school year ends.

(2) The Secretary may, at the discretion of the Secretary, permit dependents of members of the armed forces and, to the extent provided in subsection (c), dependents of civilian employees of the Federal Government residing in a territory, commonwealth, or possession of the United States but not on a military installation, to enroll in an educational program provided by the Secretary pursuant to this subsection. If a member of the armed forces is assigned to a remote location or is assigned to an unaccompanied tour of duty, a dependent of the member who resides, on or off a military installation, in a territory, commonwealth, or possession of the

United States, as authorized by the member's orders, may be enrolled in an educational program provided by the Secretary under this subsection.

(3)(A) Under the circumstances described in subparagraph (B), the Secretary may, at the discretion of the Secretary, permit a dependent of a member of the armed forces to enroll in an educational program provided by the Secretary pursuant to this subsection without regard to the requirement in paragraph (1) with respect to residence on a military installation.

(B) Subparagraph (A) applies only if—

(i) the dependents reside in temporary housing (regardless of whether the temporary housing is on Federal property)—

(I) because of the unavailability of adequate permanent living quarters on the military installation to which the member is assigned; or

(II) while the member is wounded, ill, or injured; and

(ii) the Secretary determines that the circumstances of such living arrangements justify extending the enrollment authority to include the dependents.

(b) **FACTORS FOR SECRETARY TO CONSIDER.**—(1) Factors to be considered by the Secretary of Defense in making a determination under subsection (a) shall include the following:

(A) The extent to which such dependents are eligible for free public education in the local area adjacent to the military installation.

(B) The extent to which the local educational agency is able to provide an appropriate educational program for such dependents.

(2) For purposes of paragraph (1)(B), an appropriate educational program is a program that, as determined by the Secretary, is comparable to a program of free public education provided for children by the following local educational agencies:

(B) A dependent of a United States Customs Service employee who resides in Puerto Rico, but not on a military installation, may enroll in an educational program provided by the Secretary pursuant to subsection (a) in Puerto Rico in accordance with the same rules as apply to a dependent of a Federal employee residing in permanent living quarters on a military installation.

(2)(A) Except as provided in subparagraphs (B) and (C), a dependent of a Federal employee who is enrolled in an educational program provided by the Secretary pursuant to subsection (a) and who is not residing on a military installation may be enrolled in the program for not more than five consecutive school years.

(B) At the discretion of the Secretary, a dependent referred to in subparagraph (A) may be enrolled in the program for more than five consecutive school years if the dependent is otherwise qualified for enrollment, space is available in the program, and the Secretary will be reimbursed for the educational services provided. Any such extension shall cover only one school year at a time.

(C) Subparagraph (A) shall not apply to an individual who is a dependent of a Federal employee in the excepted service (as defined in section 2103 of title 5) and who is enrolled in an educational program provided by the Secretary pursuant to subsection (a) in Puerto Rico, Wake Island, Guam, American Samoa, the Northern Mariana Islands, or the Virgin Islands.

(2) The Secretary may, for good cause, authorize a dependent of a member of the armed forces or a dependent of a Federal employee to continue enrollment in an educational program provided by the Secretary pursuant to subsection (a) notwithstanding a change in the status of the member or employee that, except for this paragraph, would otherwise terminate the eligibility of the dependent to be enrolled in the program. The enrollment may continue for as long as the Secretary considers appropriate.
